Release No.:	2010-10

2010 Farmers' Market Meeting to Jump Start Season

Fairborn, Ohio –

The smell of the season's first flowers, the sight of plants breaking through the soil, and trees once again adorned with leaves and new blossoms, these are the signs that spring has arrived. Another sign of spring is the beginning of the Fairborn Farmers' Market. On Thursday, March 18, at 2:00 p.m. a meeting will be held to discuss the upcoming market year in the Fairborn Government Center Fire Training Room, 44 W. Hebble Avenue.

This meeting allows farmers to coordinate with the City and assist in developing a positive action plan for the market. Items of discussion will include hours of operation, insurance requirements, any problems and concerns from past years and ways to grow and expand the market.

Any person wishing to sell at the market is encouraged to attend the meeting. All vendors must have a vendors license, be registered to resell their product, and have a certificate from the Greene County Combined Health District. Items such as baked goods must be properly packaged and labeled for resale.

Interest parties who have questions regarding the Fairborn Farmers' Market may contact Pete Bales, Parks & Recreation Superintendent, at 754-3090.
