

Map Created : February 2011

This map was created by the City of Fairborn Engineering Division in cooperation with Greene County GIS Department. This map was created from Fairborn's Geographic Information Management System and is for general mapping/location and can not be used as a "legal description". Any absolute readings of elevation and location must be established by a professional survey or locator based technology. Contact the Engineering Division for any questions relating to GIS or this map at 937-754-3055.
